Improvement of Water Supply at Arehalli, Belur Taluk, Hassan District

With reference to your letter No L 9640/M1 104-42 dated 17th March 1944 enquiring about the progress made in the execution of the above work at a cost of Rs 6,000 from out of the special grant of two lakhs sanctioned in G O No L 819-77/M1 166-40-2 dated 13-5-41, I have the honour to state that the Sanitary Engineer reports in his No 1164 dated 26th April 1944 that the work is not yet taken by the Bureau An estimate for Rs 6,000/- forwarded by the Sanitary Engineer with his No 68 dated 9-7-1941 to the Deputy Commissioner and by that office in turn to the Revenue Commissioner for obtaining sanction of Government, has not been returned till to day duly countersigned Hence no action is taken in the matter

As the estimate for Rs 6,000/- was prepared as long back as 1941 the same requires revision as per prevailing cost of casing pipe, calyxite, machinery etc ,

The Sanitary Engineer reports that if the Government grant of Rs 6,000/- is available this year, arrangements will be made to put the borewell at Arehalli and that details of the Scheme can only be worked out completely after the success of the borewell and its yielding capacity is made sure The Deputy Commissioner, Hassan is this day addressed in the matter for the early return of the Estimate for revision and to intimate whether the sum of Rs 6,000/- can be made available this year

A copy of Sanitary Engineer's letter in the matter is enclosed for the information of Government

---

Report of action taken in the matter of water supply to Arehalli, Hassan District

---

With reference to your D O letter No C 259-5 dated 24th April 1944 in connection with the above, and requesting me to report about the progress made in the execution of the work at a cost of Rs 6,000/- from out of two lakhs of rupees sanctioned in G O No L 8169-77/Ml 166-40-2 dated 13-5-1941 for water supply to Arehalli, Hassan District, I write to state as follows -

The work is not yet undertaken by the Bureau An estimate amounting to Rs 6,000/- for water supply to Arehalli Village was forwarded to the Deputy Commissioner, Hassan, in this office No 68 dated 9-7-1941 for countersignature and return The Deputy Commissioner in turn, forwarded this estimate in his No / C 152-41 dated 16th July 1941 to the Revenue Commissioner for obtaining sanction of Government The estimate is not received till to day duly countersigned The Estimate is not received till to-day duly countersigned Hence no action is taken in the matter / In this connection, it has to be stated th t since the estimate for the borewell water supply scheme to Arehalli was prepared so for back as 1941 and the cost of casing pipe, calyxite, machinery, etc , has gone up beyond expectation, the estimate will required considerable revision I therefore request you to kindly address the Deputy Commissioner to return the estimate to this office for revision In the meantime, if the Government grant of Rs 6,000/- is available this year, arrangements will be made to put the borewell in Arehalli A borewell 150' deep will now cost about Rs 3,000/- The success of the scheme will depend on the success of the borewell, and the details of the scheme can only be worked out completely after knowing the yield of the borewell On receipt of your final instructions in the matter, I will take further action

Your Memo No C 256-2/43-44 dated 21-2-44 which refers to the same subject, is also herewith resubmitted

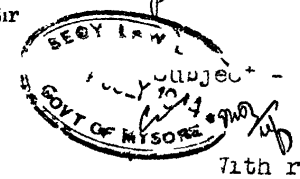
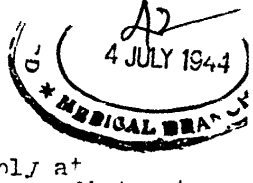
Sir





Subject - Improvement of water supply at Arehalli, Belur Taluk Hassan District

With reference to your letter No M 10312/ I M dated 21st June 1944 requesting to send a copy of this office letter No C 259-7 dated the 8th May 1944 on the above subject, I have the honour to send herewith a copy of the same

I have the honour to be,

Sir,

Your most obedient servant

Letter No C 259-7 dated 8th May 1944 from the Dir[illegible] Public Health in Mysore, Bangalore, to the Secretary to Government Law Department, Bangalore

---

Re - Improvement of Water Supply at Arehalli, Belur Taluk Hassan District

---

With reference to your letter No L 9640/41 104-42 dated 17th March 1944 enquiring about the progress made in the execution of the above work at a cost of Rs 6000 from out of the special grant of two lakhs sanctioned in No L 8169-77/41 166-40-2 dated 13th May 1941, I have the honour to state that the Sanitary Engineer reports in his No 1164 dated 26th April 1944 that the work is not yet taken by the Bureau An estimate for Rs 6000/- forwarded by the Sanitary Engineer with his No 68 dated 9-7-41 to the Deputy Commissioner and by that Office in turn to the Revenue Commissioner for obtaining sanction of Government, has not been returned till today duly countersigned Hence no action is taken in the matter

As the estimate for Rs 6000/- was prepared as long back as 1941 the same requires revision as per prevailing cost of cement, pipe, polyxite, machinery etc ,

The Sanitary Engineer reports that if the Government Grant of Rs 6000/- is available this year, arrangements will be made to put the bore well at Arehalli and that details of the Scheme can only be worked out completely after the success of the bore well and its yielding capacity is made sure The Deputy Commissioner, Hassan District is this day addressed in the matter for the early return of the estimate for revision and to intimate whether the grant of Rs 6000/- can be made available this year

A copy of Sanitary Engineer's letter in the matter is enclosed for the information of Government

D O Letter No 1164 dated 26th April 1944 from the Sanitary Engineer, Bangalore, to the Director of Public Health Mysore

---

Re - Report of action taken in the matter of water supply to Arehalli, Hassan District

---

With reference to your D O letter No C 259-5 dated 24th April 1944 in connection with the above, and requesting me to report about the progress made in the execution of the work at a cost of Rs 6,000/- from out of two lakhs of rupees sanctioned in G O No L 8169-77/41 166-40-2 dated 13-5-41 for water supply to Arehalli, Hassan District, I write to state as follows -

The work is not yet undertaken by the Bureau An estimate amounting to Rs 6000/- for water supply to Arehalli Village was forwarded to the Deputy Commissioner, Hassan, in this Office No 68 dated 9-7-41 for countersigning and return The Deputy Commissioner in turn, forwarded this estimate in his No V C 152-41 dated 16th July 1941 to the Revenue Commissioner for obtaining sanction of Government The estimate is not received till to-day duly countersigned Hence no action is taken in the matter In this connection, I have to state that since the estimate for the Arehalli water supply to Arehalli was prepared so far back as 1941 the cost of cement, pipe, polyxite, machinery, etc , has gone up considerably [illegible]

eject tion, the estimate will require considerable revision, I thereto e request you to kindly address the Deputy Commissioner, to return the estimate to this office for revision. In the meantime, if the Government grant of Rs 6000/- is available this year, arrangements will be made to put the bore ell in A ehal i A ore-well 150 dee will now cost about Rs 3000/- The Success of the scheme will depend on the success of the bore ell, and the details of the scheme c n only be worked out completely after kno in the yield of the bore ell On receipt of your final instructions in the matter, I will take further action

Your memo no C 256-2/43-44 dated 21 t February 1944 which refers to the same subject is also herewith returned
